Online talk series

It is a pleasure to announce a guest lecture with the title

Finishing up and overview

SPEAKER: James Maynard

TIME: Wednesday, 16.09.2020, 05:30 pm.

Abstract: Depending on timing, we'll finish covering properties of GCD graphs, and then give an overview of what we have seen and possible future directions.

The talk series is supported by the **FWF Special Research Program (SFB) Quasi-Monte Carlo Methods: Theory and Applications** and partly funded by the Austrian Science Fund FWF, **Project No. J 4138-N32**.
